Dear Mr. Kunasek:

The League of Women Voters of Northwest Maricopa County has been studying Arizona's water problems since the Groundwater Management Act became law in 1980.

Our League endorses the CAP Task Force's recommendation, presented to you as the Groundwater Savings Fee and Water Use Plan, that CAP water be delivered to the various golf courses in the area to be used instead of the groundwater currently being pumped to irrigate those golf courses. I will urge League members to attend the Hearing at your office on October 18 and voice their individual support for this Plan.

Thank you for your consideration.

Sincerely,

Bonnie F. Saunders
